From the Principal's desk...

Happy September! The classrooms have been abuzz with lots of learning and time spent getting into the routines of the year. Please reach out to your child's teacher if you have any questions regarding anything that has been rolled out over the first couple of weeks. Transitions can be hard and we want to make sure students and parents are understanding the expectations for their grade levels so students can have a successful year!

“For the grace of God has appeared that offers salvation to all people.” Titus 2:11

Meet our Administrative Staff

Mrs. Brown is the Principal/Head of Schools (Superintendent). Her duties include both building level oversight and leadership, as well as district level responsibilities. Mrs. Mick is the Assistant Principal. She oversees the daily workings of all three buildings and is the direct contact for staff regarding student issues or parental concerns. Mr. Straubel is our Athletic Director. He is responsible for all of our middle and high school sports teams each season, as well as our Pee Wee program. All three positions involve various roles, but the team works together to make BCS a school that honors and glorifies the Lord in all that we do.

Thank you for choosing BCS! We appreciate you!

Fundraiser Fridays

Our first Fundraiser Friday will be on Friday, Sept. 19th. The cost will be \$1.00 for elementary students and \$3.00 for middle and high school students. Students will be allowed to “dress down”, but should still wear clothing that follows our modesty guidelines. Middle and high school students can also wear hats that day as long as they are appropriate for BCS. If there are questions, those should be asked before the 19th!

A Note from Elementary

It's been another great week here in the elementary building!

If your child will be absent, late or dismissed early, please fill out our Student Absence Form. This is the best form of communication!
