FUNDRAISER FRIDAYS

This is just a reminder that not all Fridays will be dress down days. There will be "Fundraiser Fridays" that will be announced at school and in this newsletter so families can plan accordingly. There will probably be one a month, but depending on the month, there could be more. Dressing down means students can wear more casual clothing, but the clothing still needs to be modest and appropriate. No shorts for grades 6-12. Hats are allowed. The cost is $3.00 for grades 6-12 and $1.00 for elementary. All monies go to our class fundraising efforts in grades 8-12.

A NOTE FROM ELEMENTARY

It is truly a joy to see our K4-5th grade students back and getting acclimated into their classrooms! We are off to a great start!

A few updates:

We are asking for full cooperation with our dress code. Please review our dress code policy for K4-5th grades!

If your child will be absent, late or dismissed early, please fill out our Student Absence Form. This is the best form of communication!

Please continue to send your child with a sweatshirt as they go out for recess and the weather is unpredictable!

MINISTRY OPPORTUNITIES

We are always in need of substitute teachers so please reach out if you are interested!

PATRIOT HIGHLIGHT

Congratulations to two of our Patriots for their recent participation at the Blue Hill Fair.

Emery decided to take on the big competition this year and create a Charlotte's Web mobile. Requirements were that it needed to include pieces that were recycled and/or natural. She used sticks for the top of the mobile, a seltzer can for Wilbur, the pig, toilet paper roll for her goose and a pine cone to make Templeton, the rat. She received second place for her creativity and following the directions by using many natural and recycled pieces. She won $50!!

Chase entered the youth painting competition with a water color painting from a scene in a sci-fi book he had read. He won 1st place with a $10 prize.

SPECIAL GUESTS

Melissa Boudreau was an engaging speaker, who shared how God led her back to school at a non-traditional age to become a nurse. As owner of her own business, The Foot Care, RN, she is able to share her testimony with her patients and build relationships. Her many experiences in the nursing field have allowed her to grow in faith and opened her heart to God's calling on her life. She inspired the girls in the Career Prep & Servant Leadership class to stand-up for what is right and overcome challenges, because God always has a plan and he puts challenges in our lives to mature us. "Consider it pure joy, my brothers and sisters, when you face challenges of many kinds, because you know that the testing of your faith produces perseverance." - James 1: 2-3

REMEMBERING 9/11

We are incredibly grateful to the guest speakers who joined us to share their personal experiences and memories of September 11, 2001. Their willingness to revisit such a significant and difficult day gave our students a meaningful opportunity to listen, learn, and better understand the impact of 9/11 on individuals, families, and our nation.

Thank you for sharing your stories, your courage, and your perspective with our students. We are honored to have had the opportunity to hear from you and to ensure that the stories and lessons of September 11 are never forgotten.
