What a fabulous fall we've been having! The foliage has been showing off and the temps have definitely been on the friendlier side. 🙂 We are closing in on the end of Quarter 1; please reach out to your child's teachers if you have any questions regarding your child's education.

"Blessed are those who hunger and thirst for righteousness, for they will be filled." Matthew 5:6

PATRIOT HIGHLIGHT

During last Friday's Spiritual Emphasis Day, each high school class was challenged with a topic that teens commonly struggle with and researched practical, biblical advice for navigating those challenges.
Students explored how faith can guide them through life's difficulties and help them make choices that honor Christ. What a meaningful opportunity to grow!
"Your word is a lamp to my feet and a light to my path."
— Psalm 119:105

lost and found

Many sweatshirts and layers get left behind in the warmer afternoons, which means our Lost and Found is FULL of forgotten belongings! Please take a moment to look through what is there, as the items that are not claimed by the end of the quarter, **October 23rd,** will be donated. Thank you!

PARENT RESOURCES

The Great Tech Reset: Reclaiming Real Life for Christian Families is a faith-based parenting book written by author and speaker Arlene Pellicane and published by Summit Ministries. Officially released in fall 2026, the resource is designed to help Christian parents navigate smartphones, social media, gaming, and artificial intelligence by moving past basic screen-time tracking to address the deeper spiritual and emotional formation of children.
