MINISTRY OPPORTUNITIES

We are always in need of substitute teachers please reach out if you are interested!

With the widely varying temps of fall, many sweatshirts and layers get left behind in the warmer afternoons, which means our Lost and Found is FULL of forgotten belongings! Please take a moment to look through what is there, as the items that are not claimed by the end of the quarter, **October 23rd,** will be donated. Thank you!

PATRIOT HIGHLIGHT

Congratulations to these Patriots for their recent athletic accomplishments.
Josh qualified for the state golf competition this past week.
Capri won her age bracket at her recent tennis competition.

Well done Patriots!

AMAZING OPPORTUNITES @ BCS

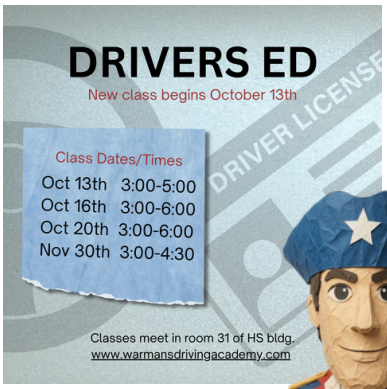

The students in the Career Preparation and Servant Leadership (CPSL) course went on a field trip to The Way We Were Bakery in Levant. The owner, Jacqlyn Rand, prepared her focaccia dough for the students ahead of time, so they could each have the opportunity to create their own flavor combinations and have some hands-on experience. During that time, Jacqlyn expressed her gratitude for how God led her to this opportunity. She also gave an overview of the process of becoming licensed with the state. Her words of wisdom for the CPSL students were that there will always be roadblocks, but if God puts it on your heart, He will help you to overcome those obstacles and achieve what His purpose is for your life.

PARENT RESOURCES

The Great Tech Reset: Reclaiming Real Life for Christian Families is a faith-based parenting book written by author and speaker Arlene Pellicane and published by Summit Ministries. Officially released in fall 2026, the resource is designed to help Christian parents navigate smartphones, social media, gaming, and artificial intelligence by moving past basic screen-time tracking to address the deeper spiritual and emotional formation of children.
