PATRIOT NATION

FROM THE PRINCIPAL'S DESK

"We will never exhaust the abundant blessings that are ours because of Jesus."
I read this recently and it comforted me; I thought it might do the same for you. It's so easy to think of things or see things through a scarcity mindset, but if we change to an abundance mindset we will see so much of our Father in our lives and the world around us.
" Taste and see that the Lord is good; blessed is the one who takes refuge in Him. " Psalm 34:8

PATRIOT HIGHLIGHT

Our 3rd grade class recently participated in Coastweek (part of the annual Maine Coastal Cleanup Program). Coastweek is a national celebration of our coastal resources. In Maine, the annual Coastal Cleanup is the biggest volunteer event in the state! After cleaning the shoreline and grabbing a quick picnic lunch in the park, students enjoyed a stop at the local ice cream shop. Loving our state and caring for God's creation

SUPPORTING OUR TEACHERS

The Purpose Behind Our Penny War

A Penny War is more than just a competition to see which class can collect the most pennies—it is an opportunity to build school spirit, teamwork, generosity, and a sense of community.

During the Penny War, students work together toward a common goal. Every penny matters, and even the smallest contribution can make a difference. The friendly competition encourages students to strategize, support one another, and celebrate their class while remembering that the real victory comes from working together.

The Penny War also provides an opportunity to teach valuable lessons about giving and serving others. Students see firsthand how small acts of generosity can add up to something much bigger. A single penny may not seem like much, but when an entire school comes together, those pennies can have a meaningful impact.

Most importantly, events like the Penny War help strengthen our school community and Patriot Mindset. We want our students to understand that they each have something valuable to contribute. Whether they bring a handful of pennies, encourage their classmates, or simply participate with a positive attitude, every student has a role to play.

So, as the Penny War gets underway, we encourage our students to have fun, compete with enthusiasm, support their classmates, and remember the bigger purpose: working together, giving generously, and making a difference—one penny at a time!
